RETURN TO HOCKEY 2020-21 UPDATE

2020-21 HOCKEY SEASON IS CANCELLED

A hockey season like no other! For the first time in 25 years, the Gladiators did not hit the ice in October!

After careful review of the status of the City of Toronto case numbers, the regulations and restrictions, our Board of Directors made the painful decision to cancel this 2020-21 hockey season.

We were prepared with our safety protocols in place. Throughout the summer, we worked with the Public Health Units, the City of Toronto, and our governing bodies (Ontario Hockey Federation and Hockey Canada) to develop a safe - and fun - program for The Gladiators. However, it was not to be! The well-being and safety of our athletes, coaches, and families is always our top priority, so we benched ourselves for this season.

*The Gladiators will be back in October 2021 -
with practices, games, tournaments and parties!*

We are so looking forward to seeing our Gladiators back on the ice next season, and to welcoming new members to our HADC Gladiators Hockey Club family!

We wish everyone to stay healthy & stay safe!
